

Teacher Leaders Guidelines and Application, 19 September 2014

Guidelines

The Corpus Christi AFT invites you to participate in the Teachers Leaders program for 2014-2015. Teachers from the area public schools with full-time classroom responsibilities and who are union members will be selected to join a nationwide teacher leaders network. We are seeking teachers who would like to take an active role in influencing policy in the following areas, for example:

Teacher Leadership in School Change—the ways in which teachers develop as leaders

Teacher Preparation and New Teacher Induction—the ways in which teachers are educated, recruited, oriented, evaluated, supported, and retained

Ongoing Professional Growth—the means by which teachers engage in professional growth, learning opportunities, and reflection

Teacher Networks—the ways in which teachers connect to other teachers and organizations for the purpose of expanding their learning community

Role of High Stakes Testing—how students are assessed and how students are prepared for college and career readiness

School Design—how schools are organized and how instruction is delivered

Teacher Evaluation—the need for fair and meaningful accountability

We will provide teachers with opportunities to develop the knowledge and skills to influence policy locally, statewide, and nationally. This will include framing practical policy positions that relate to improved student achievement; conducting research in classrooms and schools; engaging the public and elected officials in community conversations about education; participating on advisory boards, panels, and task forces; developing policy recommendations based on research conducted; and publishing and disseminating findings and recommendations nationwide.
