

Let's vote to keep A UNIFIED VOICE!

Support the CCAFT-endorsed Consultation Committee candidates.

Over the past two years, the consultation team members endorsed by the Corpus Christi AFT and elected by us to serve on the CCISD Consultation Committee have fought to ensure that all teachers and school support personnel are treated with dignity, fairness and respect.

By speaking with a strong, united voice, the Consultation Committee has:

- ✓ Won a 4.5-percent increase in the 2013-14 salary package;
- ✓ Secured salary schedule increases for five different job classifications;
- ✓ Increased stipends for auxiliary employees;
- ✓ Improved the healthcare plan by ending denials based on pre-existing conditions; and
- ✓ Much, much more!
