Dear CCAFT Member,

Thursday is a very special day for CCAFT, Local #3456. The national AFT President, Randi Weingarten is visiting Corpus Christi. This is the first national AFT President to visit us since the 1980's! You're invited to Carroll HS after school on Thursday, September 11, 2014 to hear, meet and take photographs with Randi Weingarten. (4:00-5:30)

Every day while you dedicate your livelihood to children and public education, Randi Weingarten is also on the frontlines fighting for your right to work with dignity in our public schools. She deserves a strong turnout by CCAFT union members, so let's show her what south Texas hospitality really looks like!

I am honored to have Randi Weingarten in Corpus Christi and look forward to an enthusiastic welcome.

Sincerely,

Ray McMurrey

CCAFT President
