3 STEPS TO STAY INFORMED

The Texas State Legislature will be in session January – June. This is will be one of the most serious and crucial legislative sessions for our public schools and for public school employees.

Texas AFT has tools to help you stayed informed and will give you the power to take immediate action. Collective action is needed to block proposed legislation that will harm our schools and our professions. By working together, we have an opportunity to move forward a pro-active agenda to provide high quality public education to all Texas schoolchildren.

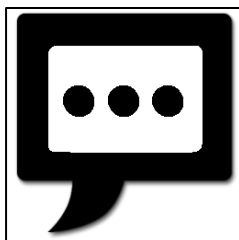

Legislative Hotline

Texas AFT produces a daily legislative update that gives readers a clear and concise review of current events, legislation, and important issues. Subscribe for free today at www.texasaft.org/emailsignup.

Tele-Town Halls
